Difference between the Date of Leaving the Club and the Date of Leaving the DGV

1 [2]

The field **Date of leave** refers to the Club and indicates the day from which on a customer's member type has to be changed. The subtype settings have the effect that for instance fees or contributions are no longer charged from a leaving customer's account or that a notification for the task manager is created.

The screenshot displays the 'Members - Customer Types' application window. The interface includes a menu bar (File, Help), a toolbar, and a left-hand navigation pane. The main content area is split into two sections: 'Customer Types' and 'Member Types'. The 'Customer Types' section contains a table with the following data:

Short Name	Description	Is member

Gast	Gästetyp	<input type="checkbox"/>
Golf de France	Golf de France	<input type="checkbox"/>
Interessent	Interessententyp	<input type="checkbox"/>

Below this table, there are search filters for 'Short Name' (Ehemalige) and 'Description' (Ehemalige Mitglieder), along with a checkbox for 'Is a Member Type'. The 'Member Types' section, which is highlighted with a red box in the image, contains a table with the following data:
